# LUXSTONE

## ABOUT US

### WHO WE ARE..

At Luxstone, we specialize in crafting premium wall textures using 100% natural stone chips of marble, granite, and limestone designed to bring timeless elegance, superior quality, and long-lasting strength to every surface.

### MISSION..

We are committed to delivering eco-friendly, durable, and aesthetically appealing wall finishes that not only elevate visual appeal but also resist fading, erosion, and damage caused by extreme weather.

### FOCUS..

Our work centres on blending creativity with performance developing innovative textures that are custom-tailored for demanding climates, ensuring resilience, originality, and architectural charm in every project.

## PRODUCT OVERVIEW

### MATERIAL AND PREPARATION

**Composition:** Made with 100% natural marble, granite, and limestone chips, using fade-resistant natural stone that stand up to all weather conditions.

**Processing:** Crafted in a modern facility with high-quality environment friendly chemicals and cutting-edge technology that meets top industry standards.

**Quality Assurance:** Extensively tested to ensure a flawless finish and premium quality every time.

### APPLICATIONS

**Versatility:** Perfect for both **interior and exterior** wall surfaces, offering a rich, natural, and elegant look.

**Uses:** Revitalizes weathered stone/concrete, enhance windowsills, lintels and architectural stone works. It can also be applied on MDF, Cement Boards etc.

**Suitability:** Ideal for residential, commercial, and landscape projects blending durability with visual appeal.

### CUSTOMIZATION

**Options:** Our wall finishes are fully customizable one of the main reasons behind their growing popularity among designers and homeowners alike.

**Styles:** Offered in clean lines, 3D textures, and various rich finishes, each product is tailored to complement a wide range of architectural and interior design concepts.

**Flexibility:** We can replicate specific styles, patterns, match custom themes, giving clients complete creative freedom to bring their vision to life.

LUXSTONE

# WHY CHOOSE US?

## **Climate-Ready:**

Our textures are engineered with advanced formulations to withstand harsh heat, high humidity, and dust ensuring reliable performance in all weather conditions, especially in challenging outdoor settings.

## **Aesthetic Excellence:**

Designed to enhance any space, Luxstone textures can be tailored in color, finish, and pattern delivering a refined, premium look that blends beautifully with both modern and classic design aesthetics.

## **Durability & Efficiency:**

Made from high-quality natural materials, our textures offer unmatched strength and longevity. They require minimal upkeep and contribute to better insulation, helping save energy and reduce maintenance costs over time.
